

WELCOME to 96B cafe & roastery. We curate, roast, and serve the coffee we want to drink, every day.

At 96B, we celebrate what Vietnamese coffee has to offer. With farmers from the Central Highlands, we have produced several exclusive lots, experimenting with various processing methods. The coffee beans from our own lots are proudly served as espresso, cold brew, and drip coffee.

With our range of signature drinks and imported in-house roasted specialty-grade coffee, there is always something for everyone.

Enjoy your time and thank you for visiting our cafe.
